RE: Lord's Day Mass Attendance Count

Dear Monsignor/Father,

October 15-16, marks our 7th annual *Pew Count Saturday/Sunday*. Since this has become a national practice, the Diocese is often asked for statistics from our "October count." Please make every effort to have designated ministers count the attendance on the weekend.

Would you kindly use the following form to make your report? Please count all "souls" present in the church and feel free to record observations/comments in the empty box.

Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Elizabeth A. Marcil".
