

Special Project

Housing for the Adopted Children & Family

Donation Application Form

The cost of a HOUSE is **\$15,000.00US** all furnished depending on the number of people in the household.

Details:

1 bed per person - 1 dining table set - 1 wardrobe and dresser per person – Linen & dishes sets – 1 stove with gas propane with three burners – 1 living room set – 10 folding chairs.

Funding options:

- 1) You may decide to open an account at the Diocesan Expansion Fund (DEF) and deposit the money as you wish according to your possibilities. As soon as you reach \$15,000.00 you may authorize the Haitian Apostolate to build a house for your adopted child & family.
- 2) You may decide to send one check of \$15,000.00 and ask the Haitian Apostolate office to build a house for your adopted child & family.

Construction Schedule:

Depending on the rainy seasons and unpredictable weather, the construction and furnishing should be completed in a maximum of three (3) months.

Procedures:

Before starting the construction, the following steps will be taken:

- 1) The benefactor will receive the picture of the entire family who will live in that house.
- 2) The benefactor will receive Pictures of the construction from the beginning to the end.
- 3) Pictures will be sent also while the family is furnishing their house.
- 4) A video will be made at the inauguration and blessing of the house.
